

International Software Craftmanship and Testing Camp Germany

<http://socrates2011.pbworks.com>

What?

This event is about the sustainable creation of useful software in a responsible way.

It consists of two days of highly collaborative interactions, including Lightning Talks (on Thursday evening), scheduled sessions (on Friday), and a self-organized Open Space (on Saturday).

Who?

Everyone who is concerned with coding, testing, code quality, software craftsmanship...

How?

Run as a non-profit, low-cost, community-organized event. Facilitation will be in English, sessions in other languages are welcome.

When?

Sep 1: From 17:00

Sep 2: All day

Sep 3: Until 17:00

Where?

Seminarzentrum Rückersbach

Kolpingstr. 1

63867 Johannesberg

Only one hour away from Frankfurt Airport
